AWARD

By order No. L-29011/1/73-LR.IV dated 24-3-1973, the Government of India, in the Ministry of Labour and Rehabilitation (Department of Labour and Employment) in exercise of the powers conferred by clause (d) of sub-section (1) of

Section 10 of the Industrial Disputes Act, 1947 (14 of 1947) referred to this Tribunal for adjudication an industrial dispute existing between the employers in relation to the establishment of Mines and Pale Palletisation Plant of Messrs. Chowgule and Company Private Limited, Mormugao Harbour Goa and their workmen in respect of the matters specified in the Schedule as mentioned below: —

«SCHEDULE

Whether the following demands of the workmen employed in Mines and Pale Palletisation Plant of Messrs Chowgule and Company Private Limited, Mormugao Harbour, Goa are justified, namely: —

- (i) Additional bonus; and
- (ii) Revision of pay scales.

If so, to what relief are the workmen entitled and from what date?».

2. The facts giving rise to this reference are as follows: —

i) The Chowgule Employees Union, Vasco-da-Gama raised an industrial dispute. The Assistant Labour Commissioner (C), Vasco-da-Gama tried to bring about conciliation between the Company and the employees but in vain. He therefore submitted his failure of conciliation report to the Government of India, who in turn referred this dispute for adjudication.

3. After the receipt of the reference notices were issued to the parties to appear before me and file their say.

4. Both the parties amicably settled the dispute and filed the settlement at Ex. 1/EW before this Tribunal for passing award in terms of the same.

5. Reference was fixed for hearing on 25-6-1973 after the settlement was produced. On 25-6-1973 the company asked for adjournment and the Union remained absent. The Company was given time till 29-6-1973 and requested to inform the Union that reference was adjourned for hearing on 29-6-1973.

6. Accordingly the company informed the Union that the case was fixed on 29-6-1973 by letter Ex. 3/E. In spite of this intimation the Union has remained absent.

7. Shri G. D. Shirodkar, Personnel Manager has given evidence at Ex. 2/E on 29-6-1973. His evidence proves that there was a settlement between the Company and the Union. He identifies the signatures of Messrs. P. B. R. Rao and D. P. Sinha representing the management. He has also signed the settlement. He also identifies the signature of Shri Gerald Pereira and other representing the employees. He identifies the signatures of witnesses i.e. S/Shri S. V. Natekar and A. K. Patil.

8. From the evidence of Shri Shirodkar, Personnel Manager I am convinced that there was amicable settlement between the parties during the pendency of reference, referred to this Tribunal.

9. On going through the Settlement Ex. 1/EW it is clear that pay scales of all the employees have been revised as mentioned in the settlement. Bonus has been also given. I am satisfied from the settlement that it is in the interest of both the parties. Terms of settlement are quite fair and reasonable. The same is also voluntary. I therefore accept the settlement and pass the award in terms of the settlement.

10. In the end I pass the following order: —

ORDER

- i) Award in terms of Settlement Ex. 1/EW is made.
- ii) Settlement Ex. 1/EW is to form part of the Award.
- iii) Parties to bear their own costs.

Short recital of the case: In its letter dated 3rd October 1972, the Union demanded for revision of payscales, bonus, dearness allowance, uniform additional increments, extra service increment, a flat increase of Rs. 70/-, gratuity, uniforms and canteen facilities. Immediately after a week almost, the Union submitted another letter dated 9th October 1972 whereby it further demanded for confirmation of workers who have put in more than 6 months' continuous service, promotions to all the workers strictly on seniority basis and supply of furnished quarters or in alternative substantial amount of house rent allowance. The disputes were taken up for conciliations/discussions by the Assistant Labour Commissioner, Vasco-da-Gama on 16-12-72 and 20-12-72. Subsequently, the Union vide its letter dated 1st November, 1972, further demanded immediate filling up of posts/vacancies and granting promotions to the employees strictly on the basis of seniority and granting variable dearness allowance linked with the rise in cost of living. It also demanded certain other things, vide this letter which were a repetition of the earlier demands already covered above.

On 11th December, 1972, the Union gave a strike notice for bonus and on 14th December 1972 a strike notice for pay-scales, uniforms and washing allowances dust allowance, confirmation of workers and recognition of Union. The Conciliation Officer, Vasco-da-Gama, submitted his failure reports on 24th December 1972 and 10th January, 1973 respectively. Nevertheless the Management agreed to keep the doors open for mutual negotiations. Accordingly, discussions were held on several occasions and the following mutual settlement was arrived at:

Note: The above consolidated payscales agreed to be brought into force from 1-1-1973 are inclusive of basic pay and fixed D. A. at the All India Consumers Price Index No. 166 (base: 1949=100).

b) It is further agreed between the parties that all categories of employees in the old basic scales of pay will be fitted in the above corresponding new consolidated scales of pay as from 1-1-1973.

c) It is agreed between the parties that while fitting the workers into the new consolidated (basic + F.D.A.) scales of pay, an addition of flat increase of Rs. 15/- will be made to basic pay, Fixed D.A. and personal pay/personal allowance, if any, as on 31-12-1972. To this amount, the increment if due on 1-1-1973 in the old scales of pay which he was already enjoying, will be added. Further the difference in increments in the old scales and revised scales will also be added to the above amount. If the total amount so arrived at falls below the minimum of the new payscales the worker will be fitted at the starting step of the new payscale; if the amount is higher than the starting step of new scale of pay but falls in between any two steps, the worker concerned will be fitted at the next higher step; if the amount corresponds to any step in the new payscale, the worker concerned will be fitted at that step.

d) It is agreed that the workers fitted in the new scales of pay, as per sub-clause (c) above will draw their next increment in the scales of pay on 1-1-74.

e) It is agreed that V.D.A. for rise and fall in the All India Consumers Price Index beyond No. 166 will continue to be paid to the workers in the manner as determined by the Central Wage Board for Iron Ore Mining Industry as at present.

II. It is further agreed that if during the currency of this settlement, the Government or a Wage Board or any Authority prescribes basic scales of pay for mining workers and if such directive or Award is binding on the Company, then corresponding basic pay will be worked out by separating the element of Fixed D.A. from the then existing consolidated pay on the following basis:

For consolidated pay	The element of Fixed D. A. to be separated to arrive at basic pay
Upto Rs. 209/-	Rs. 55/-

Rs. 365/- to Rs. 469/-	Rs. 65/-
Rs. 470/- and above	Rs. 70/-

III. The Management agrees to fix all confirmed employees in daily scales of pay, in monthly scales of pay w. e. f. 1-1-73 with all benefits applicable to monthly rated employees.

IV. Bonus:

For the financial year 1971-72, the Company has already offered to its workers a bonus of 8.33% of their salaries/wages as required under the provisions of the Bonus Act as amended. The Union on behalf of the workmen agrees to accept the said payment as in full and final settlement for the financial year 1971-72.

V. As a gesture of goodwill, the Management agrees to pay to workers who are on the rolls of the Company on the date of this settlement, an ex-gratia payment equal to 3.67% of the gross salary/wages drawn by the employees during the year 1-4-1971 to 31-3-1972 excluding the payment made under clause 7 of the settlement dated 24-2-1972 and the bonus paid during the year 1971-72. It is further agreed that this ex-gratia payment will not attract any other benefits such as, provident fund, employees' State Insurance Contributions, bonus etc.

VI. Gratuity:

Since the Management has already implemented the payment of Gratuity Act, 1972 with effect from 16th September 1972, the Union accepts the implementation of the Payment of Gratuity Act, 1972.

VII. Canteen Facilities:

In view of the Clause No. 11.2 of the Annexure to the Settlement dated 24-2-1972, the Union agrees not to press this demand.

VIII. The Union agrees to withdraw all other demands mentioned in the short recital of this settlement.

IX. The Union strongly contended for the dust allowance for the workers in the Mining Establishment. The Management refused to concede to this demand on principle. The Union has, therefore, withdraw the demand for dust allowance also.

X. Although the new payscales and fitments are to be effective from 1-1-1973, the Management agree to pay an amount of Rs. 15/- representing the flat increase, for the month of December, 1972 to all permanent workers who are on the rolls on the date of this agreement.

XI. It is agreed between the parties that the fitment as per the revised scales of pay will be given effect in the paysheets for the month of May, 1973 and all arrears arising out of this settlement will be paid along with the pay for May, 1973. Bonus due and ex-gratia payment of 3.67% will, however, be paid along with the salary of April, 1973.

XII. The Company will issue individual slips to each workman showing therein his revised pay and allowance with effect from 1-1-1973.

XIII. The Management is further pleased to accord formal recognition as provided under the Code of Discipline to Chowgule Employees' Union.

XIV. It is agreed between the parties that in respect of all points covered in this settlement and the settlement dated 24-2-1972 which have the effect of modifying any provisions of the existing standing orders of the Company, the parties hereby agree to jointly approach before 15-7-73, the Certifying Officer to incorporate the said changes in the existing Standing Orders.

XV. The Union on behalf of the workmen without prejudice to their rights and contentions, assures the Management good behaviour on the part of the workmen and that they would carry on their work in the customary manner, on resumption.

XVI. The Union on behalf of workmen agrees to honour the settlement dated 24-2-1972.

XVII. It is agreed between the parties that this settlement will come into force with effect from 1-1-1973 and will remain binding on the parties till 31-12-1976.

XVIII. It is agreed between the parties to jointly approach the Asst. Labour Commissioner (C), Vasco-da-Gama to get this settlement duly registered under the provisions of the Industrial Disputes Act, 1947 before the 15th April, 1973.

XIX. It is further agreed between the parties to jointly request the Central Government Industrial Tribunal to whom

Appearances:—

Mr. Bovanim Sinai Ramanim, Advocate for the Company.
Mr. Narendra B. Shetye, General Secretary of the Goa Commercial Engineering and General Employees Union, for the workmen.

AWARD

5th July 1973

This is a reference under Section 10(1)(d) of the Industrial Disputes Act, 1947. The demand in this reference is reinstatement of the employee—Dilip Shantaram Manerkar with effect from 4-7-1972.

2. In the statement of claim it is alleged that the services of the said employee were terminated without any notice with effect from 4-7-1972. The Union asked the employers to reinstate the employee, but the employers refused to do it. Conciliation proceedings failed, hence the dispute is referred to this Tribunal. It is urged by the Union that the termination of services is without enquiry for the alleged misconduct or misbehaviour, hence illegal and inoperative in law.

3. By their written statement the employers contend that the employee—Dilip Shantaram Manerkar was engaged on probation as a waiter since 5-4-1972 on monthly salary of Rs. 35/- with food. According to the employers, the employee Manerkar behaved roughly with the customers and at times offended them. The employers' hope that he will improve did not materialise, hence he was relieved from service from 4-7-1972 after warning-cum-oral notice.

4. The employee—Dilip Shantaram Manerkar—has given evidence. In his evidence he admits that he was employed by the present employers on 5-4-1972. On 4-7-1972 he went as usual to attend duty, but he was not allowed to do so. Mr. Manerkar says that no notice was sent to him prior to the termination of his services. No reasons were assigned for termination. No warnings were given prior to 4-7-1972. In the cross-examination he was shown the receipt Ex. C-1. This receipt is admittedly signed by Manerkar. It states that he is leaving service after taking his dues. In his evi-

dence Manerkar says that the contents of the receipt that he is leaving service were not there when he signed the receipt, he merely signed the receipt of the amount, the suggestion being that these contents are added subsequently. I do not think it necessary to go into the question whether this allegation of Manerkar is correct or not, although it is difficult to say that it is ex-facie baseless. In his evidence Manerkar further suggests that he was victimised because he was working for the Union.

5. The employers' partner—Govinda Keshav Dhuri has given evidence. He denies the suggestion that the receipt signed by the employee—Manerkar contained only the figures, and not the other contents. I do not think that Manerkar's union activity was the reason for terminating his services. There is nothing to show that Manerkar's union activities were so damaging or menacing as to induce the employers to terminate his services on that ground.

6. What is important is that the employee—Manerkar was employed only since 5-4-1972, hence it is but natural that he would be on probation. I accept the employers' case in this respect. It is true that there were no written warnings, no notice prior to the termination of Manerkar's services was served. All the same, in the case of an employee on probation it is for the employers to decide whether his work is satisfactory or not. The employers' partner—Govinda Keshav Dhuri has stated that Manerkar's work was not satisfactory as his behaviour toward the customers was not good. He is not cross-examined. After all, this is a matter to be decided by the employers. In the absence of evidence as to malafides or unfair labour practice, the employers' view as to whether an employee's work is satisfactory or not must be accepted. In the present case unfair labour practice is not even alleged in the notice of demand, nor in the statement of claim. I, therefore, hold that services of Dilip Shantaram Manerkar were terminated because his work was not found to be satisfactory.

7. It is not disputed that Manerkar was paid Rs. 35/- per month with free lodging and boarding. Even though Manerkar was on probation, reasonable notice should have been given to him before terminating his services. Such a notice was not given. I, therefore, direct the employers to pay Manerkar Rs. 100/- as compensation for terminating his services without notice. While awarding Rs. 100/-, I have taken into account the fact that Manerkar's salary Rs. 35/- was with free lodging and boarding. This amount shall be paid immediately. Award accordingly. The employers have deposited the amount of Rs. 100/- with the Tribunal. Manerkar—the employee concerned may receive the amount.
